

EMS/EM Director – Full Time

Pipestone County, MN (population 9,596) is seeking an Emergency Medical Services/Emergency Management (EMS/EM) Director. County seat is the City of Pipestone, located in southwest Minnesota. Position involves administrative, supervisory, and response duties in the functioning of the County Ambulance Association and coordinating resources to meet requirements for local emergency preparedness. EMS duties include maintaining readiness of ambulances and personnel, assuming an ambulance shift assignment, supervising ambulance personnel, and processing paperwork. Emergency Management duties include development and implementation of plans, services and programs and the supervision of support staff and volunteers.

Job Requirements: High School diploma/GED. Associate's degree in related field required, Bachelor's degree preferred. Minimum of three years of related work experience, current EMT certification and ability to complete a paramedic program within three years of hire date, or equivalent combination. Salary Range: \$57,138 - \$77,126 annual.

Pipestone County offers a comprehensive benefits package including contribution toward health and life insurance, HSA contributions, optional benefits including dental, vision, long term disability, supplemental life insurance and others, paid vacation and sick leave, and employer contribution to Public Employees Retirement Account (PERA) pension.

Applications available from Human Resources, Courthouse, 416 S Hiawatha Ave, Pipestone, MN 56164 or www.pipestone-county.com. 507.825.1203. Resumes not accepted in lieu of applications. Applications must be received no later than 4:30p.m. February 14, 2018. EEO/AA.
