

SAP 059-611-004 etc. (2018 Culverts)

COMMONLY OVERLOOKED ITEMS and/or SPECIAL ITEMS OF INTEREST

(This sheet is not part of the proposal)

Below is a list of commonly overlooked items and items of special interest. The purpose of this list is to bring attention to some of these items. This shall not be considered an all inclusive list. The contractor shall review the entire set of plans and Special Provisions.

- The Schedule of Bid Prices must be requested via email to highway@co.pipestone.mn.us or by calling 507-825-1245. Obtaining the Schedule of Bid Prices places you on the plan holders list.
- Return the **ENTIRE** proposal with your bid.
- There shall be no project activity conducted within the stream channel between the dates of May 15 and July 31, (with the exception of work required for SAP 059-613-021)
- All trucks shall have a tare weight from a certified scale.
- Any weight tickets not given to the inspector on site during delivery **shall** be supplied by noon the following business day.
- Burying of removal materials is **NOT** allowed. A **deduct of \$5000** will apply per site for any buried materials found.
- Temporary channel diversions are not allowed.
- On Projects SAP 059-613-016, SAP 059-613-017, SAP 059-613-018, SAP 059-613-019, and SAP 059-613-020, Turf Establishment (Mobilization) includes all mobilizations required regardless of the number of times the contractor has to mobilize. Mobilization will only be made one time for each project and only if completed within the required time frame for each project.
- On Project SAP 059-613-021, turf establishment mobilization costs shall be included in the unit price bid for the related items.
- On Project SAP 059-611-004, turf establishment will be the responsibility of Pipestone County
- Fill out and sign the Responsible Contractor Verification and Certification of Compliance forms.
- Fill out and sign the Non-Collusion Affidavit.
- Fill out and sign the back sheet of the proposal.
- Acknowledge all addenda on the back sheet of the proposal.
