

Is your driver's license expiring soon? Remember, Gov. Walz signed a bill into law last month that provides an extension for Minnesotans whose driver's licenses or ID cards expire during the peacetime emergency that began March 13.

The law extends the expiration date for any valid driver's license, instruction permit, provisional license, operator's permit, limited license and farm work license for two months after the month the peacetime emergency ends.

You cannot apply for or renew your driver's license right now, because all DPS-DVS exam stations and driver's license agent offices are closed.
