

HOW TO GET PARCEL DATA FROM PIPESTONE COUNTY WEBSITE

Go to Pipestone County Website – www.pipestone-county.com

Click on Property Tax Information

Click on View Pipestone County Interactive Mapping

Click OK on the Disclaimer

Click on Search Parcels (second from the right on the toolbar)

On the left click on information type you would like to search by: PID (parcel identification number), Owner, Address, Section

Enter last name, parcel number, or address in the space below That Contains

Click Go

Click on the results (for example, if you search by parcel number that number and the owners name will show). You would click on the parcel number.

When it comes up on the map click the  symbol (on the toolbar) and click on the parcel

You can then click on View Additional Data (on the left side) to get Tax and Building Value, etc.
